

— THE PATENTED MAZZELLA —

7-PART WIRE ROPE SLING

WE ARE CONFIDENT YOU HAVE NEVER SEEN A SLING LIKE THE MAZZELLA 7-PART™ WIRE ROPE SLING BEFORE!

- 1 IT'S STRONG—**
can be made from 1/8" to 2-3/4" component rope (vertical capacities from 1.2 to over 400 tons).
- 2 IT'S VERSATILE—**
can be made in almost any length or configuration—single, two, three or even four leg bridle.
- 3 STORES EASILY—**
coils up to fit on a shelf or even in your tool box.
- 4 IT REALLY GRIPS THE LOAD—**
its design really lets you get a proper choker hitch.
- 5 IT'S SUPER FLEXIBLE—**
no more fighting to rig loads and pulling open collapsed eyes.
- 6 IT RESISTS KINKS—**
go ahead ... tie it in a knot * and untie it ... no kinks.
- 7 IT SAVES MONEY—**
it saves time rigging and resists kinks.

GO AHEAD ... TIE IT IN A KNOT! *

UNTIE IT ... NO KINKS!

GOOD RIGGING PRACTICES STATE:

* This is for demonstration purposes only. Never lift with a knot in your sling.
