

MERCURY CONTAMINATION PROHIBITED, AND ASBESTOS WARNING

The use of mercury or mercury-containing compounds is prohibited in any item, material, or service provided under this Purchase Order. This requirement applies to all goods, components, subassemblies, assemblies, and services, including software deliverables, whether furnished by the Seller or its sub-tier suppliers. When applicable, the Seller shall ensure that this requirement is flowed down to all sub-tier suppliers at every level of the supply chain, as required by MIL-I-45208A, Section 3.1. Evidence of compliance shall be provided upon request, including a certificate stating that the delivered items are free from mercury contamination in accordance with the MERCURY CONTAMINATION PROHIBITED, AND ASBESTOS WARNING clauses below.

MERCURY CONTAMINATION PROHIBITED

FUNCTIONAL MERCURY AND MERCURY CONTAMINATION PROHIBITED NOTWITHSTANDING ANY OTHER PROVISIONS OF THIS ORDER OR SPECIFICATIONS REFERENCED HEREIN, MATERIAL FURNISHED BY SELLER UNDER THIS ORDER SHALL NOT CONTAIN FUNCTIONAL MERCURY UNLESS SPECIFIC WRITTEN APPROVAL HAS BEEN OBTAINED FROM THE BUYER.

**** ASBESTOS WARNING ****

ASBESTOS IS A HUMAN CARCINOGEN WHICH PRESENTS A HAZARD TO PERSONNEL HANDLING OR OTHERWISE WORKING WITH IT. MATERIAL FURNISHED BY SELLER UNDER THIS ORDER SHALL NOT CONTAIN ASBESTOS UNLESS SPECIFIC WRITTEN APPROVAL HAS BEEN OBTAINED FROM THE BUYER. ANY ASBESTOS OR ASBESTOS CONTAINING MATERIAL SUPPLIED ON THIS ORDER MUST BE ANNOTATED ON THE PACKING LIST AND MUST BE IDENTIFIED ACCORDINGLY WITH APPROPRIATE OSHA APPROVED LABELS OR TAGS TO INFORM ALL PERSONNEL WHO HANDLE OR WORK WITH THE MATERIAL OF THE POTENTIAL ASBESTOS HAZARD.

Failure to comply with this clause, when applicable, may be considered a nonconformance subject to corrective action.
